CJH Band 'Fair Share' Supplement Form

The 2018-2019 'Fair Share' supplement fee is \$50.00. In order to provide students with the most opportunities for success in performance, it is important that we have 100% of our band program contributing. Without this fee, we cannot function as a program, and performance opportunities become limited.

It is the desire of CJH Band Program that every child participates in all activities. For your convenience, we have included a payment plan option. If you are in need of further assistance, please contact us so that arrangements can be made.

Fair Share Supplement: \$50 (Checks can be made out to CJH Band)
